Re: Description: CHEMICAL OR BIOCHEMICAL SEPTIC TANK ADDITIVE
Manufacturer: STATEWIDE SUPPLY INCORPORATED
Product Name: BIO-CLEAN
Model Number(s): NONE
Product File No: 20030562

The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters Comm 82 through 84, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an approval based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of September 2009.

This approval is contingent upon compliance with the following stipulation(s):

- This product does not replace the need for a regular program of inspection and maintenance, including having the treatment tank pumped out whenever the sludge and scum occupies one-third of the tank's liquid capacity.

This approval supersedes the approval issued on INSERT DATE under product file number 19980670.

Based on information supplied by the manufacturer and reviewed by the department, this approval recognizes that this plumbing product will not adversely affect bacterial action in the private sewage system, soil hydraulic conductivity in the absorption areas, or groundwater quality beneath the system when used in accordance with the manufacturer's instructions.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.
